

Information for juveniles

We are not a party camping. Most of our guests are elder married couples and families with children who came here for tranquillity and relaxation.

This is why tranquillity and order have the highest priority for us. Juveniles will therefore only be admitted if they stick to the rules.

Those who want to party are out of place.

A bail of 25,00€ has to be paid and will not be paid back if the camping rules, especially the rest periods, have been broken.

The legal requirements concerning alcohol and smoking have to be followed strictly.
